# Mobile App

The Data Axle  
Reference Solutions  
App can help you:

- Find new business opportunities
- Research executives and companies
- Track down addresses and phone numbers
- Plus much more...

# To Download the Mobile App:

1. On your mobile device, navigate to the App Store® (iOS) or Google Play™ (Android) application icon.
2. Search for **Data Axle Reference Solutions** application and download it on your mobile device.
3. Click the **Data Axle Reference Solutions** icon on your mobile device.
4. Enter your library's 5-digit ZIP Code, and then click **Find Library**.
5. Select your library in the list.  
*iOS:* Scroll to your library, and then click **Done**.  
*Android:* Select a library from the list.
6. Enter your library card number, and then select **Remember Me** (optional).
7. Click **Proceed**.

You are now logged into the application on your mobile device.
